“ Donna was a kindhearted and generous person. I remember the times we crowded into her car to go to basketball games and other events, and the fun times we had at church camp. But most of all, I'll always remember her beautiful smile, and how she could make a person happy by just talking with her. May all the sweet memories of Donna bring you peace through this time and beyond. You are in my thoughts and prayers. Cindy Wenner-Salsbury.

My heart aches for you the family and friends that Donna left behind. We were good friends through out school and the gang that we hung out with are leaving us one by one. I loved her voice, smile, kindness and just her whole spirit. It is difficult to measure up to her. Sadly when we graduated we went in different directions, to think we were only a few miles apart. We never connected again except in passing at the hospital. Oh that smile she would always have. God Bless you and give you strength during this time. You will be sorely missed Donna.
