“ I just found out about this today. I live overseas and hadn't heard about this until now. The news hit me hard; when I was told, I immediately remembered always seeing Alicia at the family gatherings, when we were growing up. This is all very surreal. I wish everyone in the family the best in getting through this. May you have strength and peace.

“ *There are no words to express how much we loved Alicia. We will always remember and hold her in our hearts. We wonder why such a beautiful young life had to be taken away. The comfort in the loss is knowing Alicia is with the angels, and that her Daddy, Grandma and Uncle Birdy are waiting for her.*
