“ Conner family my thoughts and prayers are with you. I took care of Mr. C as I called him on the midnite shift. I always decorated his room. I was sitting on his bed Friday nite talking about his dream catcher over his bed. He was a wonderful man that I am so happy I got to know and take care of. He never complained. He loved his family so much. You were lucky he was a part of all your lives. You were truly blessed. He was my buddy and I will miss him so very muc. My heart aches but i know he is in a better place no more suffering. I will see him again. You all stay strong he would want that. God Bless you Mr. C.

“ *I went to school with Allen in grades 1 thru 12 and even though we lost touch with each other, I have always considered him as a best friend and feel a deep sense of loss. May he be in heaven with God and his other family members that preceeded him.*
