“ Although I didn't know Allison personally, I do know she did A LOT for Clarion Pups (CP). I did have the opportunity to meet her once at a CP event at Tractor Farm Supply and you could just see the love for the furbabies radiating from her. She was so dedicated to those doggies. She was and will always be, a very special angel!!!

“ Mary Lou, Ray, and the entire Beary family and friends.. I am so very sorry for your loss. I didn't know your daughter, but see that she was involved with Clarion Pups and taking care of animals. That in itself made her such a very special person with a big heart. Mary Lou, if you need anything, just let me know, I'm not far away. Bless you all.
