“ *Phyllis and family,
I have fond memories of Ardelle. Many included my dad, David Delp. Their trips to cattle auctions and the fun they always had kidding each other. They just seemed to have so much fun together. Ardelle's smile will always be a wonderful memory to me also. It's hard to believe we are all grown up and have to go through such sadness and loss of loved ones.
Our love and prayers,
Madelon(Pink Delp) and Darl Callen*
