“ Lisa, Keri, Jim,
Sorry to hear about your loss. I know I haven't seen either one of you girls in years but I seen your mom out usually at walmart from time to time and it would always turn into a hour long chat or so that i always enjoyed. I didn't hear about it till after the funeral was over or I would have came in to pay my respects. I'm sorry for your loss and feel free to contact me back if you would like. Sincerly Tim

“ Its sad to lose a friend and i considered your wife and mother as my friend. She always was smiling and made my day when i talked to her. I believe she did this for everyone she met. Its going to be hard for for a while to accept the fact she has passed to the kingdom of Heaven to live with God and not be still here with us but i pray you get through this tough time. IF I can help in any way please let me know. My life has been better for knowing her. I will always cherish the memories i have of her. With love and sadness Dale and Mollie Mcquown.
