“ So sorry to hear of Barb passing. She could not sleep and neither could I at the hospital, so we basically had a slumber party. She was a good friend to have when you are by yourself in a place you did not want to be. She is at peace now.

“ It has been such a blessing getting to know Barb over the past 2 years. She was such a beautiful woman, and such a great sense of humor!! I am so glad to have been able to laugh and cry with her, especially these past couple of months. You are all in my thoughts and prayers. I look forward to the day I am reunited with her again in Glory....
