“ Tom, So sorry to hear about the passing of your mom. She was so nice and always ready to laugh. My sisters and I would stop in to see her when we used to walk up town to the movies. Bill Sloan was our dad and he always spoke highly about her. Now they're together in heaven. God Bless.

“ Although I only met Bess a few years back, I knew right away she was a special lady; one with a love of her family, strong faith, and years of wisdom when she spoke - always from her heart. Her legacy lives on in her wonderful, loving family who live their lives as their mother/grandmother taught them; one with kindness, love, laughter and spirituality. Heaven certainly is brighter tonight. All my love and sympathy. Jane McCarthy

“ My heart is sad tonight for all the Hartle kids and their families because I know how much it hurts when you lose someone you love. And love her, you did! It showed on your faces every time you talked about her-every time you looked at her. She was so proud of all of you!

I wish you loving memories to comfort you as you say good-bye to a very special

person.

I love all of you guys!
