“ Beth, So sorry to hear of your mom. I know it is hard to go through because I lost my dad, then my older brother, and my daughter lost ones of her twins, and then on March 28th my son passed away. It has been a very hard one with losing my son it just seems I cry all the time. I miss him so, but I still talk to him evceryday. The only thing that really keeps me going is my one and only granddaughter. I know you were close with your mom and you have alot of good memories of her
