“ Betty was seen making trips up and down the hall at Charlies. She always had a Hello for everyone. She and I sat and talked about her living out by the Leather wood church. I loved listening to how she lived. She will be missed very much.

“ We had great memories at Thanksgiving (Aunt Betty's famous chestnut stuffing). I wish I would have learned how to make her yummy sticky buns. She was a very hard worker. " Volunteer" was her middle name. She was well known for making lap robes for the nursing homes and hospital. All of her pain is gone and she is standing straight and tall (all 5 feet of her). Rest peaceful till we have Thanksgiving dinner again.
Love, Mike, Peg & Kirkland
