“ *Please accept my deepest sympathies at your sudden loss. What a wonderful lady she was and she formed and raised a beautiful family. I know she will be missed, but take strength in this: 2 Corinthians 5:8, King James Version (KJV) 8 We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.*

How blessed to know when our life passes here we have a hope and a promise from God that he is unwilling and even unable to break, that Mrs. Haines is now present with her Lord God.

God bless you who remain, my prayers are with you and your family.

“ I am sorry to learn that your wife and mother died. You all are in my thoughts and prayers, through the difficult time you will be facing. I remember trick-or-treating often at the Haines House, and many times my brothers scaring your mother, with the outfits they wore. I always liked your mother, she was very kind.

“ Ken and Family,
Just a note to tell you how sorry I am to know that Betty passed. I have known her practically all my life! She was always so pleasant and kind even while driving bus 15 which I know wasn't always easy! She was especially kind to us Shaffer kids as we were typically the last ones off the bus, she always remembered us at Christmas and gave us candy! And even after I graduated and would see her out and about, she always remembered me! I could go on and on but please know I thought the world of Ken and Betty Haines! I hope you find peace and comfort in your memories and know I am thinking of you during this time.

With love,
