“ Linda and family: Please accept my deepest sympathy on the loss of your mother. I remember Betty from my childhood, she always made me feel so welcome in your home. You and Sara would go off on your own and I would spend hours playing with the doll house. You are in my prayers.

“ *Linda, Ted, Melissa, and family, my condolences on your loss. 'Grandma McKee' was the first family member I got to meet on my first visit to Clarion. And every time I saw her after that, she would always crack me up or make me smile no matter what was going on. I'll always cherish & remember the times I got to spend with her over the last 2 years.*
