“ Brian was truly a great mentor. I can remember he would wake me up when I fell asleep under the Gravelly tractor. He also taught me how to sharpen mower blades and fix a lawn mower at Clarion Equipment. He will be truly missed by the Brosius clan and never forgotten.

“ Looking back on some of our memories, we met because of Jason
dating April Enterline, we spent moving days together, and a
thanksgiving celebration where we met the whole family. We have
been blessed to know Brian, he was a very generous, kind man.
Jason and Bethany are wonderful children and that is due to Brian
being a wonderful father. He will be missed deeply.
