“ I was very sorry to hear about Leo's passing and express my sympathy. My connection to Leo is through his aunt - Frances Philomena Selker. Frances was my great grandmother. I have been researching the Selker family and do have some old photographs. If any family are interested in collaborating I can be reached at michelle.murosky@gmail.com

“ Regretfully, I didn't have a significant relationship with Uncle Ray growing up or as an adult. I did more so with Uncle Bernard and his family. However, my brother Leo and I visited Uncle Ray a few years ago. He shared with us memorable stories of our father, his eldest brother Leo, from his youth. Sharing those stories was if giving me all the riches in the world! I will be forever grateful for his generosity. Those stories bring me much joy. Also his quotes, specifically, "I have a goal".

*I take comfort in knowing he is reunited with his brothers and sisters in heaven. Cheers to his many worldly successes. Much love and appreciation to you, Uncle Ray.*

“ Uncle Ray was a good man. I have many fond memories of him. Riding along on the gas transport truck in the summers; Uncle Ray and his Harley Davidson, Jelly beans in his candy jar, Uncle Ray being mad at me when I would mow over the paper in his yard vs. me picking it up first :) His concern for those in need... I am grateful to have had such a wonderful Uncle.
