“ To the family of Carl,  
Just a couple weeks ago I was talking of the fun we had as growing up together with being friends as kids. We wondered where Carl lived at now. I was so shocked to find this out just today. Our deepest sympathy to all the family. May the peace of God surround your family and comfort you in this trying time.  
Sincerely, Don and Sue Hockenberry.

“ He was such an awesome friend with so many memories to share, we liked to drive around and look at wildlife. But when we were young. Like 20s , he dared me to do a cart wheel in the club we were at I did it. I ripped my dress right up the middle in the back!! He had to hide me till we got out of there. He was such a good buddy!! Cards, dice, any game really, he loved to play! I am going to miss you my friend :( may God wrap his arms around the family and sooth their hearts.
