“ I am so sorry to hear of Carol's passing. I feel so lucky to have gotten to know Carol over the past year, and am honored that she shared her writing and her story with me. Carol was truly the most fabulous and stylish person I know, and I was always so impressed with her zest for life (even through her worries!) and the way she saw the world. Her creativity, passion, and sense of style was an inspiration, and I know I'll think of her often. Sending so much love to her family during this time <3

“ My Sister Carol was the most unique person I know! She was so loving and caring. I often didn't tell her things because she worried so much. But that was because she loved more than most. I will miss her more than words can say! Our sibling bond can never be broken between, me, Carol and Peter. I will see you again my beautiful sister and I know you will be there waiting for me.
