“ *May you all find the peace you need at this trying time. A loss is hard but be comforted knowing that he is in a great place....maybe even hanging out with my dad in a band of their own (my dad was actually a drummer in a club band in his early years). Even if not physically, know that he'll always be watching over you. Hugs to you all!*

“ Cary was a lot of things to many people and will be missed tremendously. He sparked a love of music in me that is as vibrant today as it was when we were kids. I hope you all find comfort in knowing he will never be forgotten. My thoughts and prayers are with you.

“ *Judie & Family:*

I was so saddened to hear of Cary's passing, and offer my most sincere condolences to you and your family.

Cary allowed me the privilege of joining his band back in 1969. It was a place for me make a rough beginning in his joy of music and playing as a group. It was this beginning he gave to me that extended to the present day where I still play in a band here in New England. I don't think I'll ever be able to sit at my keys again and not think of him. God bless you Cary, your family, and all of your friends. Thank you.

“ *Butch and I played together in the Crossfyre Band in the 80's. He was a really good musician and singer. We all enjoyed the success of that band. I heard over the years he was still playing. As I knew he would always do. Because of his talent the several counties of people have enjoyed his shows. Just think of how many weddings, bars, and clubs Butch entertained. We were so lucky to have talent.*
