“ We go back a long way. And it tugs at my hart to hear of my BUDDY'S passing. At this moment I am flooded with memories like Ben's Charle and I were going to run away and live of the land too. But we were out late past dark and at that time it was getting cold and I'm not sure how far we thought it through. I think we got our rearend's beat. And the baseball and football games were the best. Charle and I as kids cut our thumbs with his knife (it was the sharpest mine was like a butter knife) and became blood brothers. I will miss him.

“ Sorry to hear about Charley. I remember pickup baseball/football games in Sigworth's back yard. There were Selkers/Brenimans/Seigworths/McElravy's. Charley never missed a game. One time Charley & I ran away from home. I had a BB Gun & Charley had his bow and we were going to live off the land. We got caught and returned to our homes before nightfall. I'll remember the good times. Ben Breniman
