“ Our condolences to Mike and Cheryl's family. I'm heartbroken with this news. She was truly one of a kind and loved by all. I still have a plant (surely the "great, great grandchildren"} of the ivy plant Cheryl gave me when she left Pittsburgh for Richmond - no room left in the car. I will treasure it forever. I will remember all the good times we shared and feel blessed to have known you. RIP my friend, God needed a special angel and he asked for you. Love you, Yoder Woman

“ To the family of Cheryl. I did not know Cheryl but I did have the pleasure to meet her in the golf shop at Hunting Hawk. I was only there to buy a hat to keep the sun from my eyes while playing a round. In my very short interaction with Cheryl I found her to be one of the kindest and most honest people I have met. Here it is two-three years after meeting her I still think of her as I think about playing a round of golf at the course. Although I never knew her or even her name for that matter, I do recall the kindness she extended to me that day. In fact I think because of her kindness I had one of the best rounds of my life. Thank you Cheryl for being such a good person. I am sure your family and friends will miss you dearly. Even though I only met you that one time, I will always remember your face and kindness. I promise to pay that forward. God bless...
