“ To Frank, Carey, Judy, Paula, EB and your families,

My deepest sympathies to you. I was so saddened o hear from Paula about Chris's passing. In her sleep... I've reflecting these past couple of days on her life, the salad years of our childhood and youth--we saw much more of each other then--lots of distance as life took hold of us. I remember visiting in Beaumont and St. Louis-- life's twists and turns--and then her return to Clarion after Barry's death, so tragic, so cast adrift. We're only two months apart in age, we've always known each other, is 63 too young to die? Maybe not, for Chris--she's reunited with Barry now. I believe she's at peace. I hope that as these next weeks, months and years pass you will find comfort and joy in your memories of her.

“ *What a shock and I am saddened to read of Chris's passing. She was such a joy to work with at Astro Mobile Homes in the early 1970's. I so enjoyed her sense of humor. I still have the wood Christmas ornament she gave me that she had made and hand painted. So sorry for your loss. Each of you are in my thoughts at this most difficult time.*
