“ *I got to know Cal Males through my neighbors on East 8th Ave in Clarion. He and I took care of Mr. Shadle's yard, and were friends with Hazel Blish. In fact, Cal was kind enough to call me at home to let me know that Hazel had passed away. When my wife and I bought an antique store, and worked the Rankin auction circuit, it was always fun to see him helping out at those events. When I last saw him he was facing orthopedic surgery. His positive outlook and kind manner will be missed.*

“ *You and your family were so kind and generous to my foster daughter back in the 1970's. What terrific neighbors.*
