“ Cory will be missed terribly. I look back on my birthday party pictures, and see how happy he was. He was such a great friend with a tremendous heart of gold. And.....I will never forget the Chocolate Milk incident in 5th or 6th grade. Lol.
Rest now sweet Cory.

Mrs. Osier,...as a mom myself,...I wish I could hug you and let you know I understand how you feel. Cory and Chad may be gone, physically, but they are with you always. You will be with them again one day and it will be glorious. Have Faith, Embrace Light, and Know You are thought of and sent positivity and prayers.
