

Daniel L. Bailey

June 2, 1987 - June 20, 2018

Daniel Lee Bailey, 31, of Leeper, passed away unexpectedly on Wednesday, June 20, 2018.

He was born on June 2, 1987 in Clarion; son of Gerald Bailey of Mechanicsville and Janet Bailey of Clarion.

Dan attended Keystone High School and also the Clarion County Career Center where he took welding for 2 years.

He worked at Clarion Bathware for a number of years and had many coworkers that were more like family.

In his spare time, Dan enjoyed working on cars and spending time with his beloved dogs, Xena and Chevy, whom he cared for more than life itself.

He also enjoyed spending time with his family and friends.

Dan was such a compassionate person and wore his heart on his sleeve. He would help anyone out and would give the shirt off his back to the person that needed it more.

Dan is survived by his parents, a brother, Cory Bailey of Clarion, a sister, Megan Bailey and her fiancé Steven Burluson of Clarion, a niece, Carmyn Burluson, and two nephews, Silas and Malachi Burluson.

He is also survived by his paternal grandmother, Joanne Bailey of Shippenville, his maternal grandfather, Clarence Siegel of Fryburg, and numerous aunts, uncles, and cousins.

He was preceded in death by his parental grandfather, John Bailey and his maternal grandmother, Mary Ellen Siegel.

Dan's family will receive friends from 1 p.m. to 4 p.m. on Sunday, June 24, 2018 at the Robert V. Burns Funeral Home in Clarion.

Funeral Services will be held at 11 a.m. on Monday, June 25, 2018 in the Funeral Home.

“ I have known Danny for many years.
I have many or should I say several members of the man.
He's done an awful lot for me I've done an awful lot for him through
thick and thin we never fought we never argue he was a true friend
that was always there he would literally take his shirt right off his
back and hand it to you.
I've done everything from work with on different companies to hiring
him to work for my own company.
He was there when my son was born he was there when my
daughter was born he was there to help me do anything and
everything I needed and I was there to help him with everything
anything he needed.
Danny was a very smart man intelligent he was a computer whiz
there's nothing he did not know how to do.
But after all the years all the days all the hours I was meant to
spend with the man the most important member that host on still to
this day is when we was walking down a bike trail in the middle of
the night like 2 a.m. and I kicked what I thought was a plastic bag
and it was a skunk and yes you guessed it the skunk sprayed us.
Danny I know you're up to heaven I know you're looking down upon
all of us.
The night that I found out I'll never forget and I don't think anybody
there will either that I was with I didn't want to believe it I didn't
believe it you was a one-of-a-kind you was a true friend a man a
brother somebody I could depend on and call on.
The night that you had your truck accident just a week or so ago I
didn't know what I was going to do when I got there but I was
heading down to Allegheny General.
I want to thank you for being my friend my brother my worker my
everything you was to my kids I will never forget our memories they
will live on and so will you.
I want you to spread your wings and fly very high and look over your
family and friends as we know you will just been a pleasure and
honor to have a friend like you.
Till we meet again I'll see you later I love you brother...
