“ I am so very sorry to hear of Dave's death. Our dad's took us fishing when we were in our early teens, and we got drenched in a rain storm on Lake Erie. We went to a laundromat where Dave and I stripped down to our briefs, and dried our clothes. We laughed for many years over that. I know that Dave had received Jesus Christ as his personal Saviour, and because of Christ's sacrifice, Dave is now in Heaven! We are praying for your family!

“ *To Dave's family*
So sorry to read about the tragedy that claimed Dave's life. I met him many years ago when I worked for his father at Rhea's Motel. He was just a youngster then and he would spend part of some evenings with me at the front desk. Our friendship started and has continued to this day. I'll miss him, as I know you will. God Bless.

“*Dave and I worked together when I was with the Conservation District and he was Commissioner. He was a very dedicated and civic minded public servant, even when others disagreed, which I respected. He also helped me through some rough times at the District through his faith. Our thoughts and prayers are with your family at this difficult time.*
