“ *My husband and I did not know David personally. My daughter, Alexandra was Gracie's roommate in college. When Gracie was seeking a job in Pittsburgh, she lived with us. Her hometown called her back, offering her a great job. When David had to be treated in Pittsburgh, they all stayed with us. Ron and I observed, his mother and father for weeks, everyday, every hour and minute leave our house at 8 am and return at 11 pm. Gracie came into town every chance she could, to be by his side. Though Ayden, did not stay with us, they would tell us, he was on his way to the hospital to be by his brother's side. For weeks, we observed the love from his family. I watched his mother never falter and get up and go again and again to be with him. Again, we did not personally know David, but no parent or family could match the love given to him. Obviously, he was blessed with a wonderful family and boy did we witness the boundless love they had for him... Love, The Laffey Family*
