“ I felt such sadness when I saw Dave had passed. I remember him so well as a little boy playing at Grandma Haines house and our house next door. You two made such a beautiful couple through the good times and the harder times. It was easy to see your beautiful faith held you both up and made you both strong. May God be with you Linda and the boys in the coming days and weeks and months..... Cousin Penny

“ Where do I start? What a wonderful servant. I watched him faithfully serve Linda day in and day out as I brought my kids to their home. I am so glad that my boys got to see his example for all the years that they were there. Thanks so much Dave. So very, very much.

Linda, I have typed and erased and typed again. What words can I say? I know you have the peace that passes all understanding. Yet...goodbye. Even if only for now. I will pray for endurance and strength and peace for the road ahead. We are here.

To Corey, "Little Linda", Josh, Noah, and Carter. Hugs. Prayers for these tough times. Grampy was one of a kind. He made me smile inside and giggle with his comments under his breath. I am glad his suffering is over.

Brian, Kevin and family...while you've been away, we adopted your parents. What wonderful people God placed on our path. You have been blessed. Our sincerest condolences to you all.

Adoringly,

The Bingham
