“ I am so saddened by the last few years of Debra's life and her passing. I think it is so ironic that her life was such a good example of how to live a good life and also an example of unfair life can be.

I am the retired business manager of Riverview I.U. and I recall the first business manager's meeting that Debra came to. My first thought was how beautiful she was and then I was impressed with her knowledge and professionalism.

My thoughts are with each of you at this difficult time.
