“ My condolences to you Tracey and family. Jane was a wonderful woman who will be missed dearly. I remember the times we spent together (which was almost daily). She was there for me and my family in every aspect imaginable. She taught me her infamous stuffing recipe and also her crab cake recipe...in fact...she taught me a lot about cooking when I became a new wife. She was also there to help babysit my daughter (who she spoiled terribly) when she was little. We had many laughs together and I will remember her in my heart with love always. Rest in Peace Aunt Jane.

“ That smile brings back many memories of our good times in our youth. Good times at church, with our families and friends. God bless your family and ease the pain of losing you.
