“ I would like to you to know that we are sorry for the loss of your mother. I have been remembering those childhood days of summer and staying with your family. (country mouse visiting the city mouse) It was during those times that I first listened to country music, Charlie Pride and Waylon Jennings to name a couple. Your Mom had a loving and compassionate heart and I know that she will be dearly missed. I will pray for your family that Jesus will give you strength, courage, and faith to live life to see Janie again someday.
