“ Our deepest sympathy to our Uncle Herb and the family of Aunt Dee. She was a very beautiful lady both inside and out. We were so very happy that they found each other and for the laughter that they shared with each other. You could easily see the love that they had for one another by the smiles and affection they shared . She was a blessing to our family and heaven just got a little sweeter. May God comfort and bless you all. John and Marcia (Thompson) Gribble

“ This is Uncle Herb's side of the family that got to enjoy your Miss Dee. It did not take long to love her and we can see that the apple did not fall far from the tree with Karla and Joe. We appreciate how you have taken such care of both of them, so this is a tribute to Dee and her family! God bless, she is dancing once again!!
