“ JOAN & FAMILY I know how hard it is sometimes to understand God's plan, but His love for you is constant.. If you are feeling powerless, let Him carry you in His arms, let His strength, be your strength, so that with the Lord you can face what you could never face alone. And don't forget it was part of His plan to bring others into your life who can offer love and support, whenever you need it. Our sympathy, Gordon @ Dee Stewart

“ My condolence to the family of Don Over. I worked around Don off and on for a little over ten years. He was a great guy, they don't come much better. He was one of the "less boisterous" OVER's I've worked around. He will be sadly missed.

“*Joan and family, we are sorry to hear of your loss. But our comfort at such a time is in knowing that through God's love as shown in His Son, Jesus, we have a hope that is not limited to the things of this world nor to time. Because of what Jesus accomplished for us through His death, we have the assurance of life everlasting and reunion with those loved ones and friends who have crossed over into eternity ahead of us. John 14 reminds us that Jesus has prepared a most wonderful place for us.*
