“ My thoughts and prayers are with you all. I wish I was there to be helpful to you in some way, especially to my sweet Bevy,Larry and my mom.

What a blessing Gramma was to everyone who loved her. My fondest memory of gramma will be after dinners at her place we would all have to take a walk up the road so she could get rid of her gas! She was precious...and very lucky to have children to take such good care of her up until her last days. Bless you all.Lean on god and each other for strength.

*love to all,
