“ *To the Berryhill Family:*

I am deeply sorry that you have lost your dear loved one. Please know that those who die await the resurrection from the grave. (Acts 24:15) During this time may you find comfort and peace by means of prayer to our dear heavenly Father who can provide the strength for all of you to endure. (Psalms 55:22)

The resurrection is the hope for all who have passed away, because by means of it we can see our dear loved ones again and enjoy life with them as it was intended, in Paradise. (Luke 23:43) There is where there will be no more death, mourning, outcry or pain because all these things will be a thing of the past. (Revelation 21:4)
