“ *Hi Ed,  
Sorry about your Dad. From what I read he was quite a guy and really enjoyed his life.  
I have been trying to get info on you from Leon & Shubby, but no one seemed to be sure where you were.  
I get down to football games quite a bit, but probably not a lot with ticket prices now. Maybe we can get together. My granddaughter is finishing her Junior year there. Give me some info. I made you look very good in the outfield. When the ball went in the air in your direction and 2 outs, I was on the bench before you caught it.  
Sorry I didn't get to see you, but Lynne had a colonoskpy in Clarion yesterday and she was woozy most of the day.

“ Your family is in my prayers. My husband and I went over several times when we had over 2 feet of snow and helped shovel out the driveway for ED. We always knew when he was mowing with his loud tractor. It was quite the tractor. We are sorry for your loss.
