“ *Many of you probably don't remember me but my name is Trevor Kephart and I was the Athletic Trainer at Union High School from 1999-2002. I met Ed early during my time as he was a custodian at the school. We quickly became friends as we spent many evenings together, me covering games and practices and Ed doing his thing. I would stop down in the mornings at his little wood shop to listen to Eds wisdom and every now and then the offering of a little Crown Royal. Ed was influential in getting me hooked on spring turkey hunting picking me up in the mornings to go listen for birds and in the spring of 2000 Ed called in a gobbler for my first ever spring gobbler kill. It seems like yesterday. And we can't forget the ever so coveted wooden mini golf carts for hole prizes at the Ed McWilliams golf scramble. I was fortunate enough to win one. Ed was a great man and will be truly missed in the Rimersburg community. My thoughts and prayers go out to John and his family during this difficult time.*
