“ Snyderburg has lost its unofficial Mayor. Ed Wolbert. Ed was a storyteller, bullshitter and King of the one liners. Most of all it he was an old school gentleman. We spent some time with Ed over the past summer and even at 90 he was outside doing yard work and still had his wit and sense of humor. We got to reminisce about years gone by, my parents and how Snyderburg has changed. But he mostly talked about how much he missed the love of his life, Betty. Our only regret is that we didnt spend more time with him. Ed, you will be missed. It wont be the same going through Snyderburg and not seeing you out mowing or trimming the hedges. Yes, Snyderburg continues to change. We take comfort in knowing that you are at peace and with Betty. She probably has you working in a flower bed as I write this. Thanks for the memories !  
Love, Jerry and Gretchen McCord Wolbert
