“ Ron Wolbert SR (AKA) Bowe is most likely up there laughing with her. He always kidded her about taking off with our mail box. Rosey was staying her babysitting for us some and the two went bar hopping. Beth dropped Rosey of and knocked our mailbox down and drug it clean down to almost end of our road. Ron Jr saw it on way to school bus and put it off the road and drug it back home when he came home from school. Everytime we ran into her Bowe asked her if she has run over any mailboxes lately. Of course they both laughed about.
