“ Mom, we are going to miss you. I hope I did your hair the way you like it for your farewell. You always said, when I'm gone Cathy, you are in charge of doing my hair so, I did as ask. I kept my promise.
Love you

Betty always was there when I was a kid. When she married Chuck they were both examples of love. It was so much fun to visit them and there familiy. She welcomed everyone into her home. I cannot express how comfortable she made all feel when offering a cup of coffee, showing her latest quilt being made, or doing her newest sewing project. My sister was a loving person and I loved her. I will miss her every day.
