“ I have many many great memories with Uncle Emery. From when I was young and still at home he would come over and always wrestle around with us and tease. And later after he retired he and I worked on several projects at my moms house(his sister Helen). We built a first floor bathroom on to her house after she had heart surgery in 97. He was there with me every day until it was finished. He took good care of his sister because that's just the way he was. I am really going to miss him. God bless his family

“ *Our thoughts and prayers are with the family at this sad time. Emery was such a quiet man but full of fun. What a good time he, his sister Helen and my mom, Helen Shick Yeane would have when he would come to Erie to visit. He will be sadly missed by everyone who knew him. God be with you and comfort you.

“ *There are so many memories of this wonderful man, Bernies Uncle Emery, but he was so special to me that I called him Dad. He would give the shirt off his back to anyone. He was so generous and kind. The one special memory I have of him is the day I asked him to walk me down the isle on our wedding day, he was so proud of that and me as well. R.I.P. Uncle Emery (Dad) I love you!*
