“ We have all good memories of Eric, he will be remembered as a good friend to my husband Jeff. He was always our go to guy, he gave so much of himself and never ask for anything, he stole my heart the moment I met him. Our hearts go out to Sabrina who was always there ever present in his life. My heart goes out to the family.....

“ Well, Eric, you are no longer in earthly pain and suffering, but I am gonba' miss seein' you around and I will miss our li'l chats. I will also miss your laugh and your sense of humor. You always had a way of making people laugh. Because of your expert knowledge and detailed instructions, my sink is STILL unclogged (years later), and my dishwasher still runs like a well oiled machine. My deepest condolences to Eric's family. Such a good soul gone too soon. R.I.P., Eric!

“ In 10th grade science class we had double desks. I shared that desk with Eric. We laughed all four semesters. He never changed ! Later in life I learned how talented he is . Very Very good Auto mechanic , Carpenter and all the trades. But the greatest talent was modesty and ability to pick on us and make us laugh at the same time. Rest up my Friend we will laugh together again.
