“ I cut Genes hair for almost 15 years while living in Clarion area - I have many many fond memories of our times together and some of the talks we had, Gene always had topics and opinions to discuss while getting his haircut . I remember once setting his hair in a very elaborate finger wave style so that he could look authentic to the early 1900's period of a Barber Shop Quartet performance he was doing.

Gene was an interesting man and a great character - remembering him always makes me smile.

My condolences to his kids - Gina, Mandy, Liz and Matt who I also came to know as friends over the years.
