“ Chrissie & family,
We'll miss Frank. He cared so much for you and your mom.. He worked hard and always put his family first. We enjoyed our visits with him throughout the years and after his move to Clarion, the phone conversations and occasional visits. That photo of your dad is excellent. May he rest in peace. He'll be in our prayers.

“ My Brother Frank always called me by real name I think just to make me mad but I wasn't I know he did it out of Love. We are far apart in age so most of my memories are things he took us to or getting me something. I do remember when I was in junior high school I stayed with him in Cincinnati while he was going to college I believe, he got me a Siamese kitten to keep me company. He never forgot my birthday, always got my card early. I will miss you. Love your baby sister Jonalen (just for you)...
