*I know there are no words to even try to begin to feel your pain. These are going to be the most trying times of your life and the families too! Every day we all need to hold our children a little tighter and never take any given moment for granted. Just know that the short amount of time Gabe was here with us, he made such a life long lasting impression on this world and will never be forgotten. He's looking down with his wings wrapped around all of you to comfort and guide you. I love all of you and you have my deepest sympathies. If you guys need anything please reach out my hands are here to help, my shoulders for crying and arms for the hardest hugs. Love you

“ I'm so sorry this happened to you and your wonderful family, know that you're all in my thoughts and prayers. Such a loss of such a handsome young man who if he turned out anything like either of his parents, would have been even more amazing. I know this is a terrible time for all of you, please let me know if there's anything you need. I love you all.
