“ Sorry to read this. Hugs to Liz and brother John and family. I think I've known George since I was about 15 but I had not seen him much since the early to mid 1980s. At one time, George, Dan and myself were like the 3 Musketeers. Hanging out together, listening to music, popping tops and enjoying life. One of my first and closest " counter culture " friends,lol. Rest in peace George! " The Professor " you will be missed. Bob Nemmer, Salt Lake City, Utah
