“ Dear Linda,
You and your family have been in my thoughts and prayers. I am thankful I was able to visit with your mom at her birthday party- her beaming smile said it all. I am also glad to have been able to spend a bit of time with her in the hospital. She had a long and interesting life, now her life begins anew. As we enter this season of Advent, may you be comforted by the knowledge that this year your mom will celebrate Christmas in heaven. I love you, Barbara
