

Glenn A. Over

December 22, 1942 - September 26, 2013

Glenn “Windy” A. Over, 70, of South Reidsburg Road, Sligo, died Thursday, September 26, 2013, at his home.

Windy arrived in this world on December 22, 1942. He was the son of Harold and Arveda Elder Over.

Windy attended Clarion Area High School where he proudly wore the #42 jersey for the Clarion Bobcat Football Team. In 1961, they were undefeated and Little 8 Conference Champions.

After high school, he was the co-owner of Over Dairy Farm for 6 years. He then gave his half of the farm to his brother and went to work at the Owens-Illinois Glass Plant, where he worked in the decorating, warehouse, and forming departments. Windy retired from the Owens-Illinois Glass Plant in 2005 with 40 years of service. He also had a small construction/backhoe business he kept busy with on the evenings and weekends.

On June 27, 1964, he married the former Dorothy I. Hollenbaugh in Jamestown, NY. They enjoyed 49 years of marriage and were blessed with two children.

Windy lived life to the fullest. He enjoyed anything that would go fast; cars, motorcycle, snowmobiles, four wheelers, and waterskies. He also enjoyed elk hunting trips out west with his friends the “Elkaholics” and a successful trip to Canada for caribou. Most of all, he enjoyed hunting with his grandsons.

Windy, Dot, and their golden retriever, Bailey, enjoyed spending the winters in Florida. They also enjoyed going to the NASCAR races.

Windy loved going to antique tractor pulls with his antique International M. Windy was anxiously waiting for the birth of his first great grandchild. Windy will also be sadly missed by his loving family and numerous friends, but will be fondly remembered for his generous heart. He was always eager to lend a hand to anyone in need. He will also be remembered by his friendly phrase, "Hey boy, let me show ya how to do that."

In addition to his wife, Dorothy, he is survived by his daughter, Kathy Burkhardt and her husband, Rod, of Lucinda; two grandsons who are serving with the United States Marine Corps, CPL Casey Burkhardt and his wife, Brianna, of Camp Pendleton, CA, and LCPL Corey Burkhardt of Twenty-Nine Palms, CA.

Also surviving are three brothers, Ron Over of Sligo, Carl Over of Curllsville, and Vern Over Sr. of Sligo; three sisters, Gladys Taylor of Sligo, Louise Kifer of Sligo, and Doris Stiltner of Sligo; and many close friends.

He was preceded in death by his parents; his son, Robbie Over; a sister, Thelma Benn; and a brother, Donald Over.

“ My sympathy to Dot and the family at the time of this great loss. I have known Windy for over 40 years...we have hunted together, interacted at social gatherings, and just talked at times. During all these years and encounters I can not remember a time I walked away from seeing Windy I didn't have a smile on my face. He seemed to take ordinary things in life and make them into a humorous story often including his famous phrase "Boy let me show ya how to do that " . He is one of "Life's Unforgettable Characters " and his passing will leave a void in everybody's life who knew him. We will keep you in our thoughts and prayers !

“ My grandfather, Pap and my dad, Joe loved going out west with Windy. When they would come home from their trips I would hear these unbelievable stories about him and all of the other larger than life guys. As a child, I always thought they were blown way out of proportion, but when it was my turn to go out west I learned all of the stories were true. Windy not only lived up to the legend but made me laugh until I had stomach cramps. Pap, dad and I really enjoyed the time we were able to have with Windy. My father and I just spent a good while on the phone laughing and talking about Windy and the great times he, Pap and myself had with him. We talked about how lucky we were to have known him and enjoy our time with him. I told my dad about a quote I read today. It said "Don't be sad that he's gone. Be happy that you knew him" and thats how we feel; truly lucky. I'm so very sorry for your loss, please let us know if there is anything do.

“ God made a very special person when he made Windy Over.....He was always there for anyone who needed his help-----and he was "happy to lend a hand". When my husband had his 3rd back surgery, Windy called him "every morning" and stopped in often.....Windy just knew my husband needed some male friend time. Life was not always easy for Windy.....his son was challenged and then did not walk.....But Windy and Dottie kept Robbie right at home with them. May God comfort you today Dot.....he knows you took such good care Windy in his illness and trials.....you also deserve a gold star.....Say Hello to Rob for us Windy.....And soar with the angels.....Jesus loves you and so do we.....
