“ *Dear Renee and family,
Your mom and I have been friends for years. I guess since way back when you and Geoff were very young. I was very happy when she told me she would sponsor me during my journey to join the church. She was my God Mother. We took it very seriously but had lots of fun too.
Butch and I are so sorry for your loss.
Love to you and your family,

“ Aunt Grace,

You will be missed ! Your laughter and sense of humor at our family get togethers just wont be the same. You were our last link to days gone by: our Wolbert historian, someone we could reminisce with. Now this part of the Wolbert family puzzle is complete in heaven. Please give Mom and Dad and the rest of the gang a hug. To Renee, John and family you have our deepest sympathy. You all are in our thoughts and prayers
