“ *For many years I was fortunate to know Dottie and Max through our bonding times at Walmart. As a vendor, I shared many various samples with them, in addition with others. We searched each other out at break or lunch time. The stories and laughs we enjoyed, priceless. I hold those good times close. I'll miss the laughs and friendship we shared. 💕*

“ Dottie was always such a lovely person. I remember getting a hug from her on my last day at the Clarion Walmart, as I was transferring to get married. She said "love ya kid...go and be happy". She also hugged me again 5 years later when my Carl passed away. I will miss her loving heart. God bless you Dottie. Char (Wilson-Reed) Chicola

“ Your mom was one of the sweetest ladies I have ever met. When she worked at Walmart, I would always try to get in her check out station. We would chat a bit while she was scanning my groceries. She was careful not to hold anyone else up. You could tell she was a kind, caring and conscientious person. I have missed seeing her at Walmart. Please accept my deepest sympathy for your loss.

“ I was so saddened to read of Dottie's passing. She was my very favorite check out lady at Walmart for many, many years. She more than likely never knew my name, but I'd look for her when checking out so we could trade cat stories and wish each other a great day! She was a bright light at Walmart. She will be missed by more people than you can ever realize.
