“ *My condolences to the family. Helen was my first friend when I moved to Clarion. Our times together chatting and going out for dessert. She was an interesting woman who shared many stories. Most of all she shared how much love she had for her husband and family.*

“ It was never just Helen, it was always Bill and Helen. Now once again they are blessed to be together forever. If I had a dollar for every pixie haircut or permanent she gave me I could certainly retire early lol! She will be missed by all that knew her.
