“ Barbara, We were so very sorry to hear of the passing of Hunter. He has always been such a hard worker and great neighbor. He will be sadly missed by all have had the privilege of knowing him throughout the years. We will especially miss seeing him working in your yard keeping it so beautiful and riding the golf cart with little Juicey. Remember we are only down the street if you need anything. We would so much have liked to be at the funeral services but were in Myrtle. Our prayers are with you and your family.
